OUR 1941 CIRCUS

DEDICATION

To you, Miss Anne Currie, the staff dedicates this 1947 Caduceus.

For your patience in drilling us through our acts, for your expert guidance in directing our flights on the flying trapeze, and for your time spent in spreading the safety net for Chico High School's publications, we proudly give you top billing in preparing us for the circus of life.

FOREWORD

The Circus is coming to the halls of Chico High School, with all its confusion of sounds and colorful splendor transforming the wondrous affairs and activities of high school life into the breath-taking and exciting adventure of the circus world. As we follow the string of performers and cavorting clowns marching to the lively airs played by the brass band, we soon come to the circus grounds with their billowing canvas tents sporting brightly colored banners, and the painted red and gold cages for the menagerie. Joining the stream of students entering the Big Top, we find the graduating performers who are leaving the training rings of Chico High for the parade of life, giving up their place to the other classes who move up one rung toward the top of the circus tent.

Before the applause for the main show has ceased, we hasten to become part of the throng pushing its way on a tour of the various sideshows in their gaudy colored tents, their different attractions depicted by the motley display of tantalizing posters hung over the entrance.

Finally, after the day's events are over, we linger a while for the sportsmanship featured in the Wild West Show, cheering the victors with our shouts of encouragement. After the band's distinctive circus medleys have faded, we leave the circus grounds, still clutching the well-thumbed program which will bring back those joyous moments in the years to come.

The Circus!—The Circus!—The throb of
the drums,
And the blare of the horns, as the Band-
wagon comes;
The clash and the clang of the cymbals
that beat,
As the glittering pageant winds down
the long street!

And, last of all, the Clown, making mirth
for all the town,
With his lips curved ever upward and
his eyebrows ever down,
And his chief attention paid to the little
mule that played
A tattoo on the dashboard with his heels,
in the Parade.

From our reserved seat near the brass band, we see the star performers, the aerialists in their lofty perch high atop the platforms scattered here and there at the top of the big tent. A long line of circus achievements shows these "Daredevils of the Ropes" to be ready to go out into the broader circus of life. From the first few turns of their training to the last few minutes of performing, these aerialists have added much to the attraction of the circus. Heading the program of their acts was the Hallowe'en party, "Witches' Wiggle," followed by a Valentine's Day dance, "Heartbeat." The Surrealist party and senior play, "Night of January 16th," were also enthusiastically received. Graduation came. The aerialists left their training ropes and safety nets and took their place with performers of the world.

TIGHTROPE WALKERS

With seldom equaled courage and some bravado, the Tightrope Walkers have shown their skill on the high wire. The first two years of their career were not spent in vain. They have developed an enviable equilibrium, making their job as next year's aerialists much easier. Their experience has imbued them with an inveterate sense of showmanship. As a result they succeeded in promoting some of the most outstanding social functions of the year. The junior play, not only a financial success, added something novel to the history of junior plays. A great presentation was the annual Junior Prom, held in the latter part of spring. Another act following in close succession was the Senior Farewell, a fitting climax to the year's activities. The spirit with which the election campaigns were conducted leaves no doubt as to the fame and fortune our illustrious circus will achieve in its endeavors next year. The graduating seniors couldn't leave Student Body affairs in more competent hands.

MAGICIANS

Though they do not possess the distinction of being new performers and they lack the training of the more advanced troupers, the Magicians nevertheless deserve much admiration for the way in which they have adapted themselves to their new life with the Chico High School Circus. A very unusual theme was carried out at the "Sock Hop," which was held in the library. An all-school dance was also sponsored by the Magicians late in May. Advising the Magicians in their activities are Miss Nielsen and Mr. Crane. Deftly mastering the tricks of the trade, the Magicians are learning a knack for the sleight of hand which will be especially useful during the coming years. The sophomore class has indeed worked wonders in '46-'47.

KEMP STRATTAN GLENN

CLOWNS

Observing for the first time the novelty and glamour of the events occurring under the Big Top, the lowly Clowns strolled onto the grounds in the fall of '46. In spite of their inexperience they managed to sponsor four freshman dances and at the mid-term planned and executed a reception for the incoming Frosh. Their participation in school activities established something of a record for a first performance. The guiding hand of President Vaida Kemp proved to be an invaluable asset; no less important were Vice-President Barbara Pettus, Secretary Shirley Glenn, and Treasurer Glee Stratton. Regardless of their record, the Frosh remained the Clowns of the show. Sometimes they were laughed with, sometimes they were laughed at; but they never failed to provide amusement for the rest of the troupe. As long as such shining examples as this year's clowns are found under our Big Top, our Circus' future rests secure.

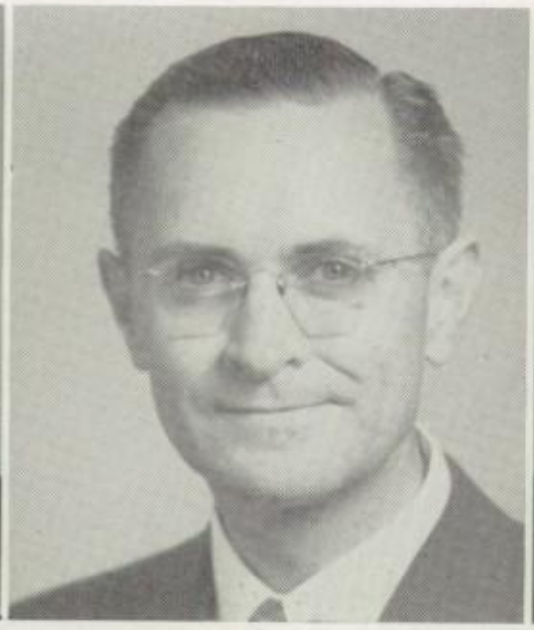
RINGMASTERS

DR. RUTH THOMAS
Dean of Girls



STUART MITCHELL
Principal
(1945-1947)

CARL SCHREITER
Dean of Boys
(Principal-elect)

Our ringmasters have been busy supervising the over 1200 performers. Dr. Thomas, ringmaster of girls, has aided all the female actors with their problems. Carl Schreiter, boys' ringmaster, has given invaluable aid to the male performers. Stuart Mitchell, head ringmaster, has assisted the animal trainers greatly in their task. F. F. Martin, superintendent of training cages, and the members of the Board of Education have seen that the animal trainers have the proper training equipment. If a new safety net is needed, or the ropes have worn out, these head people of the circus see that they are replaced. The Board of Education consists of citizens of experience in circus work, who have so much interest in the Chico schools that they will take this position of responsibility with no remuneration except the satisfaction of serving. They face problems about which the average patron is uninformed, but which are of vital importance to the schools. Most students little realize the influence this governing body exerts on their academic life.

The Parent-Teacher Association is another important factor in school life. Bringing school and home together cooperatively, its activities create friendliness and understanding between the two.

FREDERICK F. MARTIN
Superintendent of Schools

Training the "animals" of Chico High, are the teachers and the counselors. Holding the whip in skillful hands, the Social Science Department keeps us on our toes; the Commercial teaches us quick thinking in our performing; the English makes us "right" in all we do, and Languages help us to be able to appreciate foreign performaers. The Science Department invents new tricks for the acts; the Home Making Department feeds the trainers and performers. Mathematics and Military Science Departments put us through our paces. Always at hand is the Health and Physical Education Department, ready for emergencies, with Music and Art enlightening the act. The office staff keeps records of all the acts, and the shops train little apes into experienced grease monkeys. The Agriculture Department furnishes peanuts for the elephants. For Mrs. Wilma Carlson, Counselor and English,see page 53; Mr. O. V. Hauschildt, Vocal Department, page 55; Mr. L. Sweeney, Instrumental Music, page 56.

JUGGLERS

STUDENT BODY COUNCIL (Left to right) Front row—Kelly, Carroll, Loofbourow, Dunham, Stuart, Rood, Knott. Second row—Coleman, T. Marks, J. Marks, Schrot, McCrosky, Persons, Ellis, Yockey.

LOWER LEFT—Yell Leaders (Left to right) Endicott, Shuey, Smith, Curl, Michael. LOWER RIGHT—Student Body Officers (Left to right) Birtcil, Walker, Mrs. Kissling, Christensen, Brattan.

With the help and guidance of Adviser Mrs. Kissling, the Student Council deftly juggled all problems tossed their way, and proved to be the star performers of our four-ring circus.

A memorial plaque to the men who gave their lives during the war was presented jointly by the classes of '43 and '44 and this year's Student Body. During a ceremony held in the college auditorium on April 24, the plaque was unveiled. It now hangs in the front hall of the high school.

"Bobo, the Magician," "The Mississippians" and Bob Wood, the artist, were only a few of the attractions offered to the students by the National School Assemblies. These assemblies were sponsored by the Council.

A student government class taught by Mrs. Kissling was offered to all Council members who were able to take the course. Besides learning about the school constitution, the students took care of many details of the Student Council.

Officers for this year were Fred Birtcil, president; Cora Lee Walker, vice-president; Donna Christensen, secretary; Jack Brattan, treasurer. A stupendous job was done by all these "headliners." Because Velma Butterfield, sophomore representative, moved to another city, Kathleen Kelly was elected to take her place. We mustn't forget the yell-leaders who added so much pep to our games and rallies. Headed by Duncan Curl, they really went over the "big" top.

EQUESTRIENNES

Under the spell of the surging canvas and flashing spangles, we step up to the box office to inquire about the Equestriennes, sometimes known as the Girls' Student League. Helen Beatty, president, headed the corps of officers for the school term. Joan Allen, vice-president; Diane Ludden, secretary; Rosemarie Browning, treasurer; Margaret Ringer, song leader; Dorothy Thomas, big sister chairman; and Mary Keyawa, reporter, completed her team of associates.

Achievement was the keynote of this year's League. A noon dance given for the purpose of collecting money and canned goods for needy families was an unqualified success. A sum of $52 and 46 tins of canned food were collected.

The theme "Hollywood Premiere" brought forth a glittering array of cinema stars to the annual Hi-Jinks held on March 7. Given in the school library, many clever skits were presented to a capacity audience. Top honors were captured by the Junior class with second prize going to the Sophomores.

"Little Holland" could well have been the school library on April 18 as gay Dutch decorations festooned the walls for the spring dance sponsored by the Girls' Student League.

Much of the praise goes to Dr. Thomas and Mrs. Sutton for their generous help on all occasions. Future G.S.L.'ers will have to work hard if they wish to excel the record of the 1947 Girls' Student League.

MENTAL GIANTS

Step right up, folks, and view the wonder of all wonders, none others than those "Mental Giants," the California Scholarship Federation. Their performance this year has brought down the house. Headed each semester by capable presidents Betty Lou Raker and Donna Christensen, the club was outstanding in all affairs. Other officers for the fall term were Evelyn Nixon, vice-president; "Cherry" Smith, secretary; Pat Carroll, treasurer; and Pat Conway, custodian. Spring headliners were vice-president, Pat Conway; secretary, Saxon Wraith; treasurer, Diana Laumer; and custodian, Joyce Richards.

Bill Jefferies' home was the scene of a gay Christmas party held the middle of December. On April 26 many of the members journeyed down to Stockton to attend the first C.S.F. conference in five years. They attended a business meeting in the Stockton High School Auditorium, and "Cherry" Smith was elected secretary of next year's conference, which is to be held in Chico. Later on in the day the Chicoites toured the College of Pacific campus.

Also on their calendar was the annual "Brain Brawl" with Oroville. The purpose of this battle of wits is to see who has the more knowledge, Chico or Oroville. The "Brain Brawl" was won by the Chico team.

Mrs. Lewis is the adviser of the "Mental Giants."

Drill work, military science, target practice, maneuvers, and map reading were only a few of the many useful things learned by our Cadets this year. Directed by Mr. Edgar, they did much to uphold the honor of our school. During many athletic events they helped to maintain order and peace by patrolling the games.

The annual Military Ball was declared a huge success by all those attending the dance held January 18 in the library. The boys in their uniforms and the girls in their formals lent a very festive appearance to the occasion. Twelve members of the Redding Cadet Corps and their dates were the guests of the Cadets. As always, there was a grand march, led by Major Richard Shirley and Second Lieutenant Richard Glenn. The rest of the Cadets followed them in order of their rank; then Chico High civilians filled out the complete line.

Cadets from six northern California high schools participated in a field day on April 19 at Chico High School and in Bidwell Park. The boys, approximately 200 strong, competed individually and as teams in drill-downs, marksmanship, and general efficiency drills. The schools included Woodland, Placer, Grant Union, Chico, Shasta, and Colusa. Individual medals and team awards were presented by our cadets to the winners. Colonel Carter Speed, adjutant general of the State cadet group, was in general charge.

The Cannon Balls, our Cadets, are the backbone of our school.

As they roll out in their two-wheeled buggies for the chariot race, we have just a minute before the start to hear of the doings of the Junior Classical League, composed of Latin students.

On the evening of March 28, Easter bonnets were in order, because this was the night of the "Easter Parade" dance. While gay rabbits cavorted on the walls, a contest was held for the purpose of selecting the girl wearing the prettiest chapeau on her head. To the music of Bob Hedglin's band the couples danced until even the rabbits were tired.

Next to capture the limelight for the J.C.L. was the Open House held on April 10. Every year each student is requested to make some project pertaining to Roman life. All their works are shown to friends and relatives at Open House. This year a movie prepared by Mr. Mitchell was also shown.

President Richard Glenn deserves a great deal of praise for the fine record made by the J.C.L. this year. The other officers were Pat Carroll, vice-president; Marj Ellis, secretary; Carlton Spring, treasurer; Walter Stile, sergeant-at-arms; Nancy Enloe, historian; and Jack Brattan, reporter. The officers did all they could to further the purpose of this fine club.

Mrs. Cowan was their very helpful adviser.

HOT TAMALES

Anybody hungry? How about a "Hot Tamale"? One of the specialties of this circus is our Pan American club, composed of Spanish students.

The keynote of all the meetings and the social functions was to become more closely acquainted with our neighbors south of the border. Pan American Day, celebrated on April 11, was a gala affair complete with Spanish customs. Advisers were Mrs. Sutton and Mrs. Welty.

PINK LEMONADE LADIES

"Lemonade, lemonade, lemonade, who will buy my lemonade?", calls a pretty maid dressed in a gingham frock. And if you wish some food, she may be able to whip up a dainty snack for you, because she is a member of the Future Homemakers of America.

The girls are active in both the local and national branches of the organization. A sectional meeting was held in Yuba City on March 8. Barbara Casebeer presided over the occasion assisted by Mrs. Lloyd Madsen, sectional adviser. After the meeting was called to order, each school introduced their president, voting delegates, adviser, and Chapter mother. Mrs. Mary Frances Inman, Regional Supervisor of Homemaking Education, then gave a brief summary on the way the meeting was organized. At this time, Beulah Fleming presented Miss Inman with a gavel made by Beulah in woodshop, as a token of appreciation of her services.

Also at this meeting the officers for next year were elected. The Chico girls who received offices were as follows: Shirley French, vice-president; Doris Nichols, secretary-treasurer; and Delores Michal, song leader.

The meeting ended with a very impressive candlelight installation ceremony for the new officers. Approximately 35 Chico members attended the convention.

Really on the beam this year, our local F.H.A. group kept things moving swiftly at all times. For the first semester, Sylvia Newell carried on the job of president, but when she graduated, Lucille Hedlind took over her office. Other top "Lemonade Ladies" were Beulah Fleming, secretary-treasurer, and Barbara Casebeer, point recorder.

The club sponsored a Hallowe'en dance on October 31, in Memorial Hall. This goblin hop was attended by over 500 students, and $110 was taken at the door.

It was from these girls that you bought your popsicle out in the gym during the noon-hour. Also these "ladies bountiful" sent flowers to anyone on the faculty who was ill. Christmas and Thanksgiving baskets were given to needy families during the holiday season.

The girls sent ten boxes overseas to the World Christmas Festival for the children in Europe. In return for the gifts, many charming letters of thanks were received from persons in France, Denmark, and Holland.

On April 22, the "Homemakers" assisted in giving the annual "Rose Tea," which was attended by the faculty, parents of F.H.A., members, and the graduating students from the elementary schools. Coffee, tea, salted nuts, cookies, and openfaced sandwiches were served in abundance.

The students also served at many banquets, and mended and repaired all the football equipment for the Block "C." The lady behind the "stand" in this case was Mrs. Madsen, adviser.

It was only because they were so big-hearted that the Future Farmers of America deigned to be our circus venders, because most of the things undertaken by the F.F.A. are by no means small peanuts.

Outstanding in their agricultural work, the boys have received many awards. Don Chambers, after three years of unusual success in farming, was voted Sacramento Valley Star State Farmer for 1947 and president of the State Future Farmer organization at a conference held in San Luis Obispo.

"Butch" Yockey won the annual local and county F. F. A. speaking contests.

An outstanding year may again be entered into the records of F.F.A.'s scrapbook.

The first event to start this eventful year was a "Mother and Son" ice cream feed, complete with ten gallons of ice cream and two sheet cakes. A gay time was had by all.

Don Chambers, Carl Moore, Jack Meline, and Lloyd Penner, accompanied by their adviser, Mr. Ralph T. Filson, attended the national convention of the Future Farmers of America in Kansas City on October 21 through 24. While there the boys went on guided educational tours, including the Kansas City Union Stockyards, a large flour mill, railroad shops, and an auto assembly plant.

Helen Beatty, sponsored by the Boys' Block "C" and Hi-Y Club, won the title of "Harvest Queen" at the F.F.A. barn dance held on November 22 in the school gym. The barn theme was followed throughout the decorations. Bales of hay were strewn around the room, and saddles, harnesses and bridles reposing on corral gates added to the farm atmosphere. A mad dash followed when various colored balloons held above the dance floor in a net were let down. Many of the balloons contained numbers which entitled the finder to a prize.

Approximately 130 members attended the annual Parent-Son banquet held in the library on January 30. The farmers gave this event for the purpose of making the parents familiar with what their sons are learning through the F.F.A. The Future Homemakers of America served a turkey dinner to the boys and their parents.

Brad Miller took second prize for his Berkshire sow in the Butte County Fair. Lloyd Robinson entered his Holstein calf in the Future Farmer Division and also took second prize. Carl Moore was awarded a State Farmer award.

Indeed we are proud of our local Future Farmers of America.

SPANGLES AND

An air of glamour and hard work surrounds our girls' Hi-Y's; therefore in our circus they provide both the "Sawdust" and the "Spangles."

Under the supervision of Mrs. Walker and Mrs. Crenshaw the Tri Hi-Y, composed of junior and senior girls, have had a very rewarding year. During the football season the jaunty red and gold pompoms you bought were festooned by these gals. The handling of the "coke" concessions at Hi-Jinks was also one of the Tri Hi-Y's projects.

All the spirit of the holiday season was captured on the night of December 21, when our flaming youths danced to the theme of "A Christmas Dream." Santa Clauses, Christmas trees, and reindeer adorned the walls, while the melodious music of the juke box was heard in the background.

On March 22-23 an Older Girls' Conference was held at Richardson Springs. Girls from all over Northern California were present at the conference, presided over by Helen Beatty, president.

Credit for the Tri Hi-Y's successful year goes to presidents Phyllis Foster and Joan Allen and advisers Mrs. Walker and Mrs. Crenshaw.

Now we visit the other half of our team of Spangles and Sawdust, those freshman and sophomore girls in the Jr. Tri Hi-Y Club. There is nothing backward about these gals; they really have that old get-up-and-go about them.

Marilyn Ferrin's home was the hiding place of spooks and goblins when a Hallowe'en party was given there. The spirit of Colonial times lived again when a George Washington party was given in the library; guests were invited, and who can say but maybe old George himself slipped in to see how things were going. On April 21 supper was taken on the run. Why? Because the Tri-Y had a progressive dinner with different courses at each girl's home.

A Christmas basket was prepared by the girls and presented to a needy family. Money was earned by having refreshment booths at the Music Festival and Hi-Jinks. Red and gold pennants were also put on the market by the Tri-Y. The "Good Neighbor Policy" was practiced when the club generously made Keys for the Older Girls' Conference.

Peppers-up for the fall term were president, Marilyn Ferrin; vice-president, Ann Behring; secretary, Gloria Snodgrass; treasurer, Marjorie Schouten. Officers for the spring term were president, Marilyn Lowry; vice-president, Beverly Volpato; secretary, Dolores Gossa; treasurer, Claire Ohms. Adviser was Mrs. Tinkler.

"Step right up, ladies and gentlemen, and have your picture taken for the cheapest sum imaginable," calls the man at the photo booth. And who is this man? He is a member of the Photo Club formed last year to interest students in photography. The membership of this group has increased considerably in the last year.

Officers of the Photo Club are president, Ernest Bertoli; vice-president, Warren Gravelle; secretary, Nancy Corrie; treasurer, Darlene Paradeis. Advisers are Mr. Belangee, Mr. Luckinbill, and Mrs. Curl. The officers were installed October 9 in the library. After the installation, couples danced to the music of twenty name bands. Refreshments were served also.

This year's big venture was the filming of the Music Festival. In order to make the film more interesting, a bit of a plot was woven into it. Two thousand feet of 16-millimeter colored film was shot. Students appearing in the film were Barbara Reed, Marilyn Endicott, Mary Keyawa, Don Cox, Jim Marks, and "Chuck" Jones. Those assisting in its production were: director, Ernest Bertoli; property manager and editor, Nancy Corrie; make-up director, Gerry Manes; art director, Martha Bille; business and publicity manager, James Musselman; script writer, Phyllis Foster. Much hard work and preparation were put into the making of this movie; therefore we give this club a four-bell rating.

ACROBATS

Who is that floating through the air with the greatest of ease? Why, it is one of the acrobats of the English Club. And what is the English Club? This club was organized for the purpose of arousing interest in subjects pertaining to English. Mrs. Meggers and Mrs. Carlson are the advisers. Fragrant incense filled the library on December 10, the night of the club party. The theme was "Hong Kong Blues." As their project, the English Club donated a group of books to the library.

On May 8 all members in good standing motored to Paradise for the club banquet, which was held at Johnson's restaurant, and the new members of the Inner Circle were announced.

ACE PERFORMERS

So in demand were the girls' choir and A Cappella this year, that hardly an event passed by at which they didn't perform. A few of the affairs at which they entertained were Teachers' Institute in Sacramento, a benefit concert for the Paradise P.T.A., the Music Festival in Stockton sponsored by the College of the Pacific, several of the Chico Community Institute Forum Series, the Music Festival here in Chico, Baccalaureate, and Commencement.

The entire vocal department, under the direction of Mr. Hauschildt, presented the cantata "Olivet to Calvary," by A. H. Maunder, to a public audience March 25, in the gymnasium. Student soloists were Georgia Dodge, Virginia Jenkins, and Lee Perry. Beverly Carpenter played the accompaniment on the piano. In order to present it, the students practiced on Sundays and week nights.

But it was not all work and no play for the performers. Not to be left out of the holiday festivities, they held a Christmas party in the library. Later on in the year, the vocalists gave their annual potluck dinner, also held in the library.

We should feel very grateful when we realize what an outstanding choir we have and especially that such a fine director as Mr. Hauschildt is with us.

One of the main box-office attractions of our four-ring circus is the vocal department. Because of its stupendous reputation, 230 boys and girls entered the doors of room 108 this year to become educated in the finer arts of singing.

Besides the regular periods of chorus, a number of girls were chosen to sing in the Girls' Choir. Also groups of both boys and girls were picked to "emote" in the A Cappella Choir. These choirs practiced during the noon hour. Director of the department was Mr. "Dutch" Hauschildt.

BRASS BAND

BAND BLOCK "C" (Left to Right) Top row—Angel, Arbuckle, Bennage, Carney, Coleman. Second row—Mellerio, Leslie Sweeney (sponsor), Perry. Third row—Purcell, Rice, Robinson, Shaw, Starr.

Another Block organization has been added to our panorama, this time the Band Block. In order to become affiliated with this group, a boy or girl must have a "B" average in band, have played in it for two years, and have attended all public performances of the group during that time.

The students in the band have really worked hard to earn their Blocks and are certainly entitled to wear their yellow sweaters with the red and gold emblem on them.

On November 14, an initiation ceremony was held for all the new members of the band. A fun-filled time was had by all, and the students really proved that they had what it takes to be good band members. Later on in the year a social evening of dancing and refreshments was enjoyed by the group. At the end of the school term a picnic was held in Bidwell Park, complete with every type of food imaginable.

But the big event of the year for the Music Makers was the Band Carnival, held on May 31 in the gym. This event is rapidly growing to be a yearly affair, because it always goes over so well. Overflowing with carnival cheer, crowds were thoroughly entertained by the many different booths and concessions. As always, a king and queen were elected to reign over the affair. The money collected from the carnival is put to use in buying equipment for the bands and orchestra.

The very able officers of the band organization are as follows: Jim Coleman, president; Margaret Bennage, vice-president; Lois Draper, secretary-treasurer.

New band uniforms adorned our boys and girls this year. Touched with a bit of military air, the uniforms created a very colorful picture when the band marched down the street.

Hop on the band wagon and come along with us to hear of the engagements of our school band, dance band, and orchestra. Constantly in demand, they were tops.

Among other things, the school band gave out with the music at all football games, performed for the Business Men's Club at the Methodist Church, and won first prize for the best marching unit in the Armistice Day Parade. Our swing band played for the Rotary Club, the Paradise P.T.A., and accompanied the movie, "'Frills of Chico High," shown by Mr. Mitchell. The symphony orchestra performed for several of the Forum series.

Both the school band and the orchestra journeyed to Stockton to take part in the Stockton Music Festival on May 3. They also participated in the Chico Music Festival held on April 25.

On May 1, the band put on an assembly for the Student Body. Given in the gymnasium, it was applauded from start to finish. The gamut from classics to modern music was run. At different times during the performance solos were presented by Lois Draper, Bob Hedglin, Lee Perry, Don Mellerio, and Robert Davidson.

The man responsible for all this music is the director, Leslie Sweeney.

JUNIOR TROUPERS

Under the direction of Miss Roth, the Junior class sponsored three one-act plays in the Memorial Hall on March 27 and March 28. The casts were from the dramatics classes.

On March 27, "No 'Count Boy" by Paul Green, "His First Shave," and "Who Gets the Car Tonight" by Chris Sergel were given. The students appearing in "No 'Count Boy" were Margaret Worley, Harvey Angel, Duncan Curl, and Betty Davis. Those cast in "His First Shave" were Phyllis Argraves, Mel McGuire, Gerry Inlay, Dale Kusie, and Dora Warner. The cast of "Who Gets the Car Tonight" consisted of Saxon Wraith, George Santos, Barbara Reed, Lee Sheldon, and Carol Lapham.

On March 28, both "No 'Count Boy" and "His First Shave" were given again with different casts and "Little Prison" by George Milton. The casts were as follows: "No 'Count Boy," Charley Clarke, Barbara Corl, Lee Perry, and Pat Moore. "His First Shave," Dean Miller, Shirley Conklin, Don Mellerio, Joy McCafferty, and Vernita Whisman. "Little Prison," Joan Allen, Frances Mohlenbrink, Sharron Quiggle, Joan Pflug, and Ingrid Alm.

JUNIOR PLAYS. Upper left—In "Who Gets the Car," Carol Lapham fixes Barbara Reed's hair while George Santos looks on. Upper right—In "His First Shave," Mel McGuire gives fatherly advice to Dale Kusie. Lower left—In "His First Shave," Phyllis Argraves and Gerry Inlay are onlookers while Mel McGuire demonstrates shaving techniques to Dale Kusie. THE HOPEFULS

UPPER LEFT—Cast of "Ever Since Eve" (Left to right) Front row—Angel, Ruth, Mellerio, Wagoner, Kusie, Santos, Perry. Second row—Hays, Moore, Laumer, Scott, Clarke, Wraith, Walker. Third row—Curl, Roth, McGuire, Christensen, Milde. UPPER RIGHT—McGuire and Duncan Curl try to console Diana Laumer. CENTER RIGHT—Phil Milde, Charlie Clarke, Saxon Wraith, and Dan Hays in a scene from the play. LOWER LEFT—Mel McGuire and Duncan Curl fight for Diana's affections. LOWER RIGHT—The stage crew takes over.

The "Hopefuls" are those people under the big top who hope some day to be great actors and actresses. If the performance they gave in "Ever Since Eve" is any indication of their ability, we know that they can't help going over the "Top."

This hilarious three-act comedy was presented by the dramatics classes on Friday, December 19, in the Chico State Auditorium. The Broadway hit was the story of a typical high school boy and his friends and family. "Johnny Clover" was played by Melvin McGuire, editor of the school paper. "Spud Erwin," Duncan Curl, is Johnny's pal and is attempting to become assistant editor of the paper, but he runs into difficulties when "Susan Blake," Diana Laumer, also applies for the position and gets a mad crush on Johnny. Things really get complicated when "Lucy Bell Lee," Corky Walker, steps into the picture and turns on her charm. "Mr. and Mrs. Clover," Pat Moore and Dan Hayes, are having troubles, too, raising their juvenile son. Another romance enters the picture when school principal, "Mr. Quinn," Phil Milde, and "Martha Willford," Donna Christensen, fall in love. Other members of the cast were Marilyn Scott, "Betsy Erwin," Spud's sister; officer "Cappy Simmons, "Buster" Wraith; football star "Preston Hughes," Charlie Clarke; and the football team consisting of six boys.

"Ever Since Eve" was written by Florence Ryerson and Colen Clements. It was put on under the direction of Miss Roth, head of the dramatics department.

PRESS AGENTS

JOURNALISM CLASS (Left to right) Front row—Robinson, Pope, Starr, Hedlind, Grunberg, Rivers, Haney. Second row—Nixon, Hitt, Wurschmidt, Draper, Newell, Keyawa, Alm, Allen, Stafflebach. Third row—Brooks, Smith, Poff, Spring, Rundell, Wesbrook, Trueblood, Krueger. (Became part of regular staff for spring semester.)

LOWER LEFT—Fall Semester Staff (Left to right) Front row—Rivers, Brown, Foster, Brooks. Second row—Bertoli, Holmes, Ellis. LOWER RIGHT—Spring Semester Staff (Left to right) Front row—Alm, Rivers, Allen, Keyawa, Brooks. Second row—Bertoli, Holmes, Draper.

And who would make a better press agent for our Circus, than "The Voice of Chico High," the Red and Gold? Each week, come what may, the staff struggles valiantly to produce a paper unequaled by any other high school in Chico. Head publicity men for the first semester were the editor, Phyllis Foster; assistant editor, Jeanne Knott; feature editor, Lucille Brown; and business manager, Ernest Bertoli. Joan Allen took over the reins during the spring term. Her associates were Mary Keyawa, assistant editor, Ingrid Alm, feature editor, and Ernest Bertoli, again business manager. The reporters were really on their toes, and rarely did an event escape their notice.

Staff members of "Red and Gold" and "Caduceus" attended the twenty-third annual convention of the Central California Scholastic Press Association at Stanford University November 2. They attended different discussions and lectures, and later on in the day made a tour of the spacious campus.

On December 11, the journalism class journeyed to Sacramento to attend a newspaper clinic sponsored by The Sacramento Bee. A realistic picture of a modern newspaper, its problems and procedures, was presented to the "news hounds" at several meetings. Charlotte Smith won a prize of $50.00 for having written the most interesting essay about the expedition.

BARKERS

"Will everybody please stay in order, so that we can get your name," were the familiar words that floated through the air while the Caduceus pictures were being taken. Then, before you knew it all the pictures were snapped and nobody heard or thought of the yearbook until the Caduceus assembly. But, during this time ye olde staff members were busily at work writing copy, setting up a dummy and going over countless other details.

How the Caduceus would affect our future years was the theme of the spectacular assembly. After a clever skit, master of ceremonies Charles Fishburn introduced the candidates for Miss and Mr. Caduceus.

The staff then went back into hibernation and did not emerge until the night of the publications banquet given at the Hotel Oaks. The room complete with a merry-go-round, clowns, and trained seals carried out the theme of circus-time.

Those who had a front seat in this year's proceedings were editor, Dorothy Thomas; assistant editor, Virginia Trueblood; senior editor, Clarice Vingness; classes editor, Betty Lou Raker; club editor, Joanne Kelly; girls' sports editor, Jacque Schwein; boys' sports editor, Duncan Curl; faculty editor, Sharron Hitt; manager, Charles Fishburn; assistants, Crit Brookes and Don Horne; adviser, Miss Currie.

FIRST-AID BOOTH

Covering all phases of Junior Red Cross work, the Chico High School Junior Red Cross has made a splendid showing again this year. The chapter lived up to its outstanding record of 100 per cent subscription in the national membership drive. The generous contributions of its members enabled the club to send half of the $135 collected to the National Children's Fund.

The international aspect of Junior Red Cross was shown by the members of the clothing classes, who made fourteen dirndl skirts, fourteen dresses, and seven pairs of pajamas to be sent to European children.

Living up to the motto of the club, "Service," members donated their time to distributing posters all over town for the Senior Red Cross membership drive.

All these projects were carried through with the enthusiasm of the club's president, Barbara Corl, tempered with the patience and hard work of Mrs. Emma Cook, adviser. Other officers of the club were Jacque Schwein, vice-president; Wanda Robertson, secretary; and Sharron Hitt, publicity chairman.

Barbara and Sharron attended the Junior Red Cross Student Leaders' Camp at Nevada City, California, last summer, where they were trained in every phase of Red Cross work.

To a new organization formed this year goes the job of "Water Boys." But besides carrying the water to the animals, the Key Club has done many worth-while things. The purpose of this club, sponsored by the Kiwanis Club, is to be of service to the school, as the Kiwanis Club is to the city.

Head "Water Boy" was President Ray Fuller. Vice-president was Don Chambers, secretary, Dick Shaffer, and treasurer, "Bud" Duncan. Adviser is Mr. Leonard. Directors on the Council were Jim French, Kay Northrup, and Forrest Miller.

Not one to take their motto lightly, the boys participated in many city projects. They assisted in the Community Chest drive by taking posters around to different places. Later on in the year they helped Mr. Easter Rabbit by collecting prizes and donations from the merchants for the annual Easter Egg Hunt.

Mindful of the fact that the girls don't like to cook every night, the members "hosted" a dinner at the Southern for their lady friends. On April 25, the boys gave a box-social in the library. Decorated with blue and white streamers, the room wore an old-fashioned atmosphere.

Eager to interest other schools in such an organization, Saxon Wraith, Kay Northrup, and Richard Glenn met with the Red Bluff Kiwanis to acquaint them with the activities of a Key Club. Next year, the boys hope to attend an International Convention of Key Club members.

Slowly the performer ascends the platform, carefully he adjusts his equipment, and then he is off. But he has lost his balance. Does that mean certain death? No, for he is a member of the Winter Sports Club. A new club formed this year for the purpose of promoting interest in skiing and other winter sports, it has grown by leaps and bounds. Each Sunday, cars and trucks have taken these enthusiasts up to the Sulphur Works for the day.

At a ski carnival in Sacramento, Ingrid Alm won second prize in a contest sponsored by the Sacramento Chamber of Commerce. The contestants were judged upon the basis of practicality and colorfulness of their costumes.

"Let It Snow, Let It Snow, Let It Snow," sang the phonograph on the night of the Ski Festival held in the library. Decorated balloons filled the air as members of the Oroville and Chico clubs enjoyed an evening of dancing and fun. Officers were president, Richard Shirley; vice-president, Suzanne Gerhardt; secretary, Nedra Newell. Miss Roth was the adviser.

(1) A western drama, the winning skit, presented by the Junior Class at the annual Hi-Jinks. (2) Jerry Albert, Bill Brown, Don Chambers and Howard Moorman at the Block "C" dinner given by Mrs. P. Ware. (3) Mr. Staples, official Caduceus photographer. (4) The Chico High School Symphony Orchestra. (5) Chico delegates to the annual Older Girls' Conference at Richardson Springs.

Here's the long, ever-changing, mysterious line
Of the Cages, with hints of their glories divine
From the barred little windows, cut high in the rear
Where the close-hidden animals' noses appear.

WILD MEN

FOOTBALL VARSITY (Left to right) Lying—Milde, Jesse, Chambers, Wood, Curl. Sitting—Yockey, Arbuckle, F. Miller, Maderos, B. Brown, Vitt, D. Miller, Hays, Musselman, Giovanetti, Newton, Dahl. Standing—Hill, Shaffer, Young, Robinson, Trojanowski, Wraith, Weibel, Clarke, Neubarth, Hoffman, Angel, Forester.

LOWER LEFT—Wraith with the ball, Clarke on the ground and Musselman coming to help. LOWER RIGHT—Giovanetti and Chambers after the ball in Oroville game.

The mad maulers of the football field turned in a very thrilling performance. The spectators who came to see these red-and-gold gladiators do their stuff were not disappointed. The first part of the performance was a little weak, but after the boys got under way they really rolled them in the aisles. Of course, the last act the boys put on, over in the town of Oroville, was a little bad, because of no cooperation from the Oroville boys; but it was filled with thrills and chills, and we also might add, a few spills.

Although many Varsity boys have graduated, other players will still carry on. Remember, watch out for the "Wild Men" of Chico High.

PONY BOYS

The "Pony Boys," otherwise known as the "B" football team, really put on a wonderful exhibition this year as they whipped their ponies around the gridiron. They bested their competitors from Marysville, Corning, Oroville, Redding, and Red Bluff. As a result they earned the title of "Best Pony Boys of the N. C. H. S. A. L. Circus League."

This year, under the coaching guidance of Al Schlueter, these Pony Boys completed an undefeated season, having won over all the schools listed above. The only close game they played resulted in a tie with Lassen 12 to 12.

A new group of performers appeared this year under the Big Top, known as the Ramblers. This is a group of intermediate players, too old to play "B" team, but not big enough to play Varsity. These boys played Varsity teams from the schools that were too small to put out a regular "Varsity" type squad. The title "Ramblers" is explained by the fact that they played all their games out of town.

Taken all in all, the "Wild Men" of the coming year presented an outstanding performance as a prelude to their Big Time activities.

"B" FOOTBALL (Left to right) Front row—Young, Anderson, Lucena, Jones, Sorensen, Terrell, Brunk, Schouten, Bonnet. TRAINED SEALS

BASKETBALL VARSITY (Left to right) Front row—Clarke, Coutolenc, Birtcil, Wagoner, Graybiel. Second row—Weibel, Van Riper, Liston, Cox. Third row—Schlueter, Nunn, Richards, Peterson.

UPPER PICTURE—Richards jumps with Red Bluff, while Weibel watches. LOWER PICTURE—Kusie gets a rebound in the Red Bluff game.

This year the trained seals did a very good job of putting the ball through the hoop. Of course, when the team came out on the floor the fellows looked a little like part of the side show sneaked into the act. There were the midgets, tall men, thin men, strong men, and of course the clowns. The seals, sometimes called the Chico Panthers, really had a wonderful year, putting on more performances than they have for many years previously. They had twenty-three games with a variety of schools up and down the Sacramento Valley. And of these games they won all but three. The ones lost were to Woodland, and two to Redding, champions of this year's league. The team has put in a thrilling performance this year, and their trainer, Al Schlueter, gave them an extra supply of fish for this.

Our team was a great crowd drawer, because of its speed and flashiness. Proof of this fact is given when one realizes that more money was made from the basketball team this year than ever before in the history of Chico High. Yet, no matter how hard they played, nor how well they were coached, Chico couldn't beat Redding. The two Redding-Chico games were the most exciting games this season, with the possible exception of the Grant Union game. The first Redding tilt was lost by but three points, the score changing hands several times, but finally ending up 24 to 21 in favor of Redding. The second Redding game was probably the best demonstration of spirit any of us will ever see. Coming from the short end of a 33 to 8 score in the fourth quarter, our boys brought the score to 35–34, losing by 1 point. This spirit, especially evident in this game, was characteristic of our team in all of its games throughout the season.

The seals really had a load of bad luck this year, but the spirit and energy they displayed made up for the bad breaks.

After this, don't you think you had better throw an extra fish to "the trained seals"?

MIDGETS

"B" BASKETBALL (Left to right)—Richardson, Jenkins, Krueger, Irvine, Ellis.

The midgets are very important, though they aren't quite as flashy as the trained seals. They too have had a great year with the circus. They attracted large crowds in all the towns they performed in.

The "B" team midgets, ably chaperoned by Ralph Hensley, and the "C" and "D" midgets, chaperoned by Mr. Wagner, turned in a remarkable performance. The "B" team was staffed by an able group of newcomers (freshmen), as well as the graduates from the "C" and "D" teams of last year. These boys, even though they got off to a bad start, showed remarkable improvement, and finished the season in a blaze of glory. Some remarkable new talent was discovered in the "B" team this year. which guarantees that Chico High School will have some cracker-jack teams in the future.

"C" BASKETBALL (Left to right) Front row—Boring, Peirson, Reese, Ellis, Krueger.
Second row—Rolls, Milligan, Ledford, Neumann, Young, Wagoner.

"B" BASKETBALL (Left to right) Peirson, Boring, O'Neill, Irvine, Davis, Reese.

The "C" and the "D" teams are the foundation of our whole basketball future here at Chico High. It is playing on these various teams that the stars of the years to come get their first taste of basketball. All too often people underrate these teams.

This year the "C" and "D" teams played two games with each of four schools, Redding, Red Bluff, Oroville, and Los Molinos. The "C" team won two of the eight games they played, while the "D" team won three out of the eight that they played.

Even though the midgets are a bit smaller than the famous "Trained Seals," the spirit that is so evident in the bigger boys is not missing from the smaller. These fellows played their hearts out every minute they were on the court.

One of the big faults with the spirit at Chico High is that they don't give any backing to the smaller teams; the only team they root for is the Varsity. These boys on the "B," "C," and "D" teams practice hard and long, often longer than the Varsity. The least that a good student of Chico High could do would be to show a little interest in the junior teams of the school.

"D" BASKETBALL (Left to right) Front row—Persons, Macy, Thompson, Fudge, Sutton, Broomhead, Lowell. Second row—White, Wurschmidt, Kitchen, DePuy, Marler, Renner, Wagoner.

GIANTS

BASEBALL VARSITY (Left to right) Front row—Jolly, Schroeder, Walker, Baggett, Johnson, Detrick, Newton, Silvers, O'Neill. Second row—Nixon, Wilson, Perry, Clarke, Michals, Weibel, Van Riper, Jensen, Torkelson, Robinson, Schrot.

"B" BASEBALL (Left to right) Front row—Schmidt, Quiring, Thompson, Young, Clester, Wagoner, Boyer, Bonnet, Hubert, Feingold, Sanders, Schwein, Persons. Second row—Brown, Nystrom, Kesterson, Irving, Clester, Keyawa, Westlake, Ellis, Hall, Woodmansee, Broomhead, Thompson, Kitchen, Pierson, Dimas. Third row—Barbun, Haney, Warwick, Evers, Ennis, Jackman, Kinney, Hemingway, Young, Proctor, Eggleston, Nelson, Pattison, Wood, Read, Domeneckine.

In every circus there must be the giants. In our circus they are the baseball boys. These fellows rolled over their opponents by enormous scores and were a big hit with all of the students.

This year is the first year that Chico High has charged to get into the baseball games. Certain people around the school said that our baseball team wouldn't make any money. Well, maybe just any baseball team wouldn't make money, but our team this year packed them into the stands. The high school therefore was making baseball pay for the first time in years. The people who paid to see our boys perform were not disappointed. These giants of the diamond didn't drop a game (up to printing time) except to Yuba City, in a night game under unfamiliar lights. "It would have been the second defeat of the Honkers if it had not been for the lights," was the remark by some, after the easy 14 to 7 defeat a few weeks before.

If it were not for the forfeited games to Red Bluff, Chico would have a simple league victory, but due to this they may have to be satisfied with a draw, even if they win all their games. Without a doubt this year has been the biggest for baseball in many a year.

The baseball bats went "crack," the ball went sailing, and the crowds hoorayed as the baseball team concluded a very successful season.

GAZELLE BOYS

As we come down the sawdust path between the cages, we see in the last cage some streaks resembling lightning. We watch for a while, and finally one of the streaks slows down enough for us to identify this group.

It is a cage of Chico's gazelle boys. These speedy creatures have raced around the circus all year, but it is only toward the end of the show's time on the road that they come into their own. In their first performance, they didn't do so well, but their able trainers, Mr. Albert Schlueter, Esq., and Mr. Lloyd "Maddy" Madsen, soon put them into shape to steal the show. The gazelle boys are indeed outstanding performers.

WINNING HOCKEY TEAM (Left to right) Front row—Jenkins, Allen, Foster, Newell, Beatty. Second row—Browning, Alm, Thomas, Raker, Reinwand, DeBock.

Colors are bright, spangles are glittering, and the band is playing. Excitement fills the air. It's time for skill, fun, and thrill of a challenge as the tumblers ride in.

Any sport is a challenge among the tumblers at Chico High when the time comes for a deciding game in some sport. The seniors are proud of their victory over the junior girls in the hockey game this year. It was a good game and it took skill to win. No broken spirits and the tumblers are all back on their feet and ready for another challenge. A mixed team of some of our players accepted the college's invitation to join in playday events one Saturday. Our girls held their own and came out victorious with no points scored against them. Their opposing teams were Woodland, Willows, and Oroville. The hockey season ended with the senior tumblers riding high on the crest of a sawdust wave.

Volleyball season came and went with time passing fast and the junior girls evened the score up by working hard and coming out on top the over-all champions. Freshmen, sophomore, and senior teams all fell to the nets and let the junior tumblers take the spotlight on the high trapeze. It was a junior victory.

Next act, coming up. Basketball season started off with the crack of a whip. The tumblers were all light on their feet and out for the championship. Freshmen and sophomore teams fell and again the senior and junior tumblers were ready for the everlasting struggle for the winning pennant. The two stars fought hard and showed a lot of skill. The senior tumblers came swinging through, though, to take the spotlight oncemore.

Baseball season got off to a flying start. The junior and senior tumblers were a great hit, and defeated the more inexperienced athletes, the freshmen and sophomores.

Competition is still keen as we close this show, and we are all waiting for the big opening next year.
